EXPERIENCE

2013
-PRESENT

SENIOR GRAPHIC DESIGNER

Stanford University - Residential and Dining Enterprises, Palo Alto, CA

Produce marketing materials related to student housing, conferences, dining, retail, and athletics. Lead team members with design direction and oversee all projects and timeline. Design and develop all brand, communication, and marketing assets - including, but not limited to: logos, illustrations, collaterals, social media content, presentation templates, website visuals, and ad campaigns.

2004
-2012

PRE-PRESS/PRINT OPERATOR

American Repo-graphics Company, San Jose, CA

Produced marketing materials for various companies in the Silicon Valley and around the world. Populated design templates for trade shows and color matching print materials. Managed several large format printers with knowledge of which substrates were best suited for clients' projects.

2001
-2002

GRAPHIC DESIGNER/ ASSISTANT PROGRAM DIRECTOR

West Valley College, Saratoga, CA

Illustrated ideas to help communicate the wide range of projects to the team. Worked with faculty and staff to develop the visual language that would help design students understand their roles and tasks. Worked with students to build web and print content for clients. Assessed students strengths and weaknesses while assisting them to accomplish their education goals in the digital media field.
